

*Money is much more than a token:
it's a relationship, a promise, an
agreement, a contract, a MEME,*

this guy:

these people:

Collaborative Finance

- 1) Grassroots first, aggregating to global
- 2) Governed by its users.
- 3) Decentralised politically and monetarily
- 4) Trust-ful not trust-less
- 5) Clearing before settlement
- 6) Tech neutrality and diversity
